Summary of Responsibilities

The Open Palace Programmes offer an English and a Scottish programme which give you the chance to:

Step behind the scenes at some of the most significant palaces and mansions in the UK

Learn from the heritage professionals how to conserve, present and interpret sites and collections

Take part in hands on activities tackling real challenges alongside the experts

Immerse yourself in history where it happened

Handle fascinating historical artefacts and records

Gain invaluable experience and contacts for your resume

Benefit from bespoke careers advice

Visit and stay in some of the most delightful historic parts of England or Scotland

These experiences provide a richness and diversity with which few individual placements or internships can compare.
