**About the Institution**

The Museum's mission is to educate and entertain the general public through the collection, preservation, interpretation, and exhibition of objects relevant to the history of the soft drink industry, and through that example, the free enterprise economic system.

To further that mission the Free Enterprise Institute was created in 1997 for the purpose of educating Texas school children and adults about the economic system that underlies American life.

**Summary of Responsibilities**

The Dr Pepper Museum and Free Enterprise Institute is seeking qualified individuals for its 2018 Summer Internship program. Internships will be in the Interpretation Department and the individual will be assigned to one of three areas in the department—collections, exhibitions, or education. The internship will be for a period of 12 weeks during the summer. Interns can do a part-time version for a total of 200 hours or a full-time version for a total of 400 hours. The rate is \$8.25/hour.

Each intern will be assigned to work with a full-time member of the Interpretation Department at the Dr Pepper Museum. The area assigned to the intern will be at the discretion of the Interpretation Department staff, but consideration will be given to the individual's preference. The intern will work with his/her assigned staff member on a special project based on the needs of the museum and the intern's requirements. The intern will also be required to attend board meetings, committee meetings, and department meetings to gain a better understanding about how the museum functions.

Do you need internship credit for your degree? Let us know. We are willing to work with your degree program's requirements.
